A cartoon illustration depicting a financial transaction. On the left, a man with a large yellow yen symbol (¥) for a head stands behind a white counter with red stripes and the word "BANK" written on it. He is wearing a dark blue suit and an orange tie. He holds a small black card in his right hand and gestures with his left hand. On the right, a young boy in a blue t-shirt and dark shorts holds the same black card up to his face. A thought bubble above him shows two stacks of money with wings, flying away from the card, symbolizing the ease of withdrawing cash. In the top left corner, there is a logo for "大猫财经" (Da Mao Money) featuring a stylized cat face.
