A wooden balance scale is shown against a light green background. The scale is tilted, with the right pan lower than the left. On the left pan sits a stack of US dollar bills, with a \$100 bill prominently displayed. On the right pan sits a stack of Euro banknotes, with a €100 note prominently displayed. A small wooden block with a dollar sign (\$) is placed on the beam of the scale. The scale is supported by two wooden blocks, one on each side. The lighting creates soft shadows on the surface below the scale.

5 / 7
