A close-up photograph of gambling items on a green felt surface. In the foreground, a black computer keyboard is partially visible. Resting on the keyboard are several playing cards: the King of Spades, the 10 of Hearts, and the Ace of Clubs. Behind the cards are several stacks of poker chips in red, green, blue, and white. Two red dice are also visible, one on top of a stack of white chips and another pair of dice nearby. A deck of cards is also visible in the background.
