A close-up photograph of a red Siasun industrial robotic arm. The arm is positioned over a workbench, with its gripper mechanism visible. The brand name 'SIASUN' is printed in white on the red arm. In the background, a worker is seated at a computer workstation, and various industrial equipment and materials are visible, creating a factory setting. The image is part of a news report about the impact of the COVID-19 pandemic on China's manufacturing sector.
