A close-up photograph of a gambling scene on a green felt table. A hand is holding a King of Spades card, which is being placed on top of a deck of cards with a blue patterned back. To the left of the deck are three stacks of poker chips: a tall stack of red chips with a white checkered pattern, a medium stack of blue chips with a white checkered pattern, and a shorter stack of black chips with a white checkered pattern. Further to the left are two red dice, one slightly behind the other, showing different faces. The lighting is dramatic, casting shadows on the green felt.
