A cartoon illustration depicting a metaphorical scene. On the right, a green, humanoid figure sits on a brown ledge, using a long fishing rod. Instead of a head, the figure has a large smartphone displaying a green alien-like character with a speech bubble. The figure is fishing a large red envelope with the Chinese character '赌' (gambling) written on it. Two men in blue clothing, carrying stacks of purple banknotes, are running towards the left, away from the 'fisher'. The scene is set against a light blue background with a brown ground area and a blue wavy line representing water at the bottom.
