A close-up shot of a person's hands holding a smartphone. The phone screen displays a betting application interface with a green and red color scheme. It features a live football match video feed at the top, followed by a table of betting odds and a 'BET NOW' button. In the background, a laptop screen is visible, displaying a similar betting interface with a table of odds and match information. The overall scene suggests a person using a mobile device to place bets while monitoring a laptop.
