A close-up photograph of a hand holding a fan of three playing cards. The cards are the Ace of Spades, King of Spades, and Queen of Spades, all from the same suit. The hand is positioned at the top right, with the thumb and fingers visible. The cards are fanned out, showing their faces. The background is a green felt surface, typical of a casino table. The lighting is bright, highlighting the texture of the cards and the skin of the hand.
