PHOTOCOPIED ONE YOU GOT CAUGHT TODAY, IT'S AN OVER THE TOP HACKER
 Teenager Arrested in Computer Crime Scandal
 "Hacker Arrested after Bank Terrorism"
 Damn kids, They're all ALIKE
 But **did you**, in your thirteen-piece psychology and 1950's technobrain, ever take a look behind the mask of the **hacker?**
 Did you ever wonder what made him tick, what forces shaped him, what may have molded him?
 I am a hacker, enter my world...
 Mine is a world that begins with school
 I'm smarter than most of the other kids, this crap they teach us here is...
 Damn underclass...
 I've listened to teachers explain for the fifteenth time how to not do a fraction. I understand...
 Damn kid, "No, Ms. Smith, I didn't show my work. I did it in my head."
 Probably copied it. They're all alike.
 I made a discovery today. I found a computer. Wait a second, this is cool, it's what I want it to be... it's a game machine, a challenge to me with an...
 Not because it doesn't like me... Or feels threatened by me... Or doesn't see teaching and cheating as being...
 It wasn't happened... a door opened to a world... looking through the plastic free zone... **heroin**... kids, all his doing a play school. They're all alike.
 This is it... **this is where I belong...**
 I know everyone here... even if I've never met them, never talked to them, may never hear from them again... I know you all...
 Damn kid. Tying up the phone line again. They're all alike...
 You bet your ass we're all alike.
 I've been spoon-fed baby food in school when we hunger for more... the bits of **meat** that you do sit through were pre-chewed and tasteless...
 We've been dominated by **sadists**, or ignored by the apathetic. The few that had something to teach found us killing people, but those few are like drops of water in the desert.
 This is our world now... the world of the electron and the switch, the **beauty** of the band. We make use of a service already existing...
 without paying for what could be dirt cheap if it wasn't run by profiteering **gluttons**, and you call us criminals.
 We explore...
 We seek after knowledge...
 We exist without skin scales, without rationality, without religious bias...
 You build atomic bombs, you wage wars, you murder, cheat and lie to us and try to make us believe it's for our own good, yet we're the criminals.
 Yes, I am a criminal. My crime is that of curiosity.
 My crime is that of judging people by what they say and think, not what they look like.
 My CRIME is that of outsmarting you, something that you will **never** forgive me for.
 I am a hacker, and **this** is my manifesto.
 You may **stop** this individual, but you can't stop us all...
after all...
WE'RE ALL ALIKE.
