A person in a grey hoodie is seen from behind, pointing their right index finger towards a city skyline at sunset. The scene is framed by a camera viewfinder overlay, which includes a red 'REC' indicator in the top left, a battery level icon in the top right, and four black corner brackets. The city lights are visible in the foreground, and the sky transitions from orange to blue. In the bottom right corner, there is a text overlay: '百家号/老哥上岸故事会'.
