A cartoon illustration depicting a group of white, featureless stick figures surrounding two dark, hooded figures. The hooded figures have large white eyes and are shown in a state of panic or distress, with sweat droplets on their heads. One hooded figure is shouting "让我出去!" (Let me out!) in a jagged speech bubble, while the other is asking "我怎么进来的?" (How did I get in?) in a circular speech bubble. The white figures are looking on with various expressions of indifference or suspicion. In the background, a simple drawing of a doorway is visible.
