Three mobile phone wallpapers are displayed, each with a red-to-black gradient background. The central wallpaper features the large white Chinese character '戒' (Jie, meaning 'to戒' or 'to戒') at the top, followed by the text '戒赌就赢了，冷静冷静，坚决不碰，做一个自律的成年人。' (Quitting gambling means winning, calm down, definitely don't touch, be a disciplined adult). The two side wallpapers also feature the character '戒' and contain text about the dangers of gambling and the importance of self-control. The overall theme is anti-gambling and promoting discipline.
