A woman with glasses and a white jacket is standing at a podium with the Microsoft logo, presenting to an audience. Behind her is a large projection screen displaying a colorful, stylized illustration of a city street scene. Overlaid on the screen is the SENCITY logo, which consists of a network of white nodes connected by lines. Below the logo, there is a text box with the following information: 李晨 (Li Chen), 大中城市运营总监 | Sencity Operation Director, and 电话: 186 11111111. A large QR code is visible in the bottom right corner of the screen. The audience is seen from behind, seated at tables with water bottles and other items.
