A person is seated in a red office chair, wearing a VR headset and holding a white controller. They are positioned at a desk in a dimly lit, cluttered room. Two computer monitors are on the desk, displaying a virtual environment with green and blue elements. The desk is covered with various items, including a keyboard, mouse, and several boxes. The background shows shelves filled with more boxes and equipment, suggesting a workshop or a storage area. The overall atmosphere is one of focused interaction with a virtual world.
