A 3D rendering of a skull constructed from numerous small, white, cube-like blocks, resembling a digital or pixelated skull, set against a dark background. The skull is composed of many small, white, cube-like blocks, possibly dice or small cubes, arranged to form the shape of a human skull. The blocks are arranged in a way that creates a textured, pixelated appearance. The skull is positioned in the center of the frame, with its front facing slightly to the left. The background is a solid, dark color, which makes the white blocks stand out. The lighting is soft, highlighting the edges of the blocks and giving the skull a three-dimensional feel.
