A hand is shown interacting with a smartphone. The phone's screen displays a grid of colorful icons. Surrounding the phone are various floating digital icons, including a globe, a speech bubble, a mail icon, and a plus sign. Glowing blue lines connect these icons, creating a network-like structure. The background is dark, making the glowing elements stand out. In the bottom right corner, there is a watermark that reads "知乎 @西城阿扬哥".
