你为宁远县做了很多的贡献，我们都懂。

但是你在主要的街道，弄的严管街，我们开车的就有点受不了了。

办个事情，都不敢开车去那街道。

你再那么大的马路，单又不设置车位，我们去办事情的，停哪里啊！

停车场有设置多少？我刚停了一两分钟，你的员工就把我的车给锁住了。

我也没得办法啊，你也会出去办事啊。

你在那四条街办事的话，你的车停哪里？

还是你靠公交车呢？这样搞，街道是整洁了，但是不人性化了，有什么用呢？等于不是实事！

你如果严管街，请你在街道上划点车位吧。

这样对县城的经济增长也说得好处。

因为外地人很多都不敢来这里，没地方停车啊。

希望县委书记你懂的，可以联系我，听听我们老百姓的意见。

A screenshot from the game Plants vs. Zombies, showing the "Biomass" level. The interface includes a top menu bar with options like "Home", "Play", "Level Select", "Shop", "Daily Rewards", "Achievements", "Settings", and "Help". Below the menu, a progress bar shows the player's current position in the level. The main play area features a dark, swampy background with a path leading towards a large, glowing green plant. On the left side, there are several icons representing different plants available for selection. At the bottom, a small text box displays the level name "Biomass" and a brief description of the level's objective: "The final boss of the game is a giant zombie named Gargantuar. He will attack you with his massive size and strength."
