A horizontal timeline from January 2018 to September 2019, showing various cyberattacks on financial institutions. The timeline is marked with months and years. Attacks are indicated by colored dots (red for 'Robbed', yellow for 'Unknown', green for 'Prevented') and labeled with the institution name and the type of attack.

| Month | Year | Attacker  | Target       | Attack Type                                        |
|-------|------|-----------|--------------|----------------------------------------------------|
| Jan   | 2018 | Robbed    | Lazarus      | Bancomx Mexico SWIFT                               |
