A photograph showing a camel and a person standing on a sand dune at sunset. The sun is a bright, glowing orb in the upper left corner, casting a warm, orange light across the scene. The sand dune is a large, smooth, undulating shape that dominates the background. The camel and the person are silhouetted against the bright sky and the sand. The camel is standing on the left, and the person is standing on the right, slightly behind the camel. The overall mood is serene and peaceful.
