A night street scene in Japan. A large, multi-story building is illuminated with various signs and lights. A prominent sign in the center of the image reads "不想在浑浑噩噩了，戒赌了" (I don't want to be in a daze anymore, I've quit gambling). The building has a mix of traditional and modern architectural elements. A white van is parked on the street in front of the building. The overall atmosphere is one of a busy urban area at night.
