The screenshot shows the eOS Connection Manager interface. On the left, a sidebar lists devices found during a scan, including 'Jason's iPhone 4S'. The main area displays a network diagram with nodes and connections. On the right, a terminal window shows a successful login for the 'admin' user.

Terminal Output:

```

Port: 22 - SSH
Port: 3659 - eOS Connection Manager

Open Ports Required for Crack: 3
170.159.1.207@> login
Username: admin
Password: *****
Admin Login Successful
170.159.1.207@> ls
-eos
-home
-log
-bin
-yn
170.159.1.207@> cd eos
170.159.1.207/eos> cd mail
170.159.1.207/eos/mail> cat
