A group of people, including men and women of various ages, are gathered around a large, colorful board game table set up outdoors. The table features a complex game layout with various colored squares, roads, and a central circular area. A yellow and white striped caution tape is stretched across the table. In the background, a red banner with white Chinese characters "安全管理无禁区" (Safety management has no禁区) is visible. The scene is set in an outdoor market or fairground area with other people and structures in the background.
