A screenshot from the Japanese version of the video game Resident Evil 4. The image is in a 4:3 aspect ratio. In the center, a large, translucent, wireframe skull of a dog is superimposed over a dark, textured background. To the left, there is a vertical panel with a greenish-yellow light and a small circular icon at the bottom. On the right side, there is a vertical column of Japanese text. At the top right, there is a small, faint, and partially obscured text element.
