The following prices are estimates, if i think a specific job takes more time and money i will either refund you or you will send the remaining once we talked.  
If you are unsure about which category to choose, choose the lower priced one in question.  
You will only pay for successful jobs, if i can not do anything for you i will refund you. But keep in mind depending on your target specific things might take longer and require an addition payment, but only after i can show some success.

| Product                                                                                                                                                                             | Price                | Quantity                                                    |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------|-------------------------------------------------------------|
| Small job, for example: Email and Facebook hacking, installing trojans, small DDOS                                                                                                  | 250 EUR =<br>0.022 B | <input type="text" value="1"/> X<br><a href="#">Buy now</a> |
| Medium-large job, ruining people, espionage, website hacking, DDOS for big websites                                                                                                 | 500 EUR =<br>0.043 B | <input type="text" value="1"/> X<br><a href="#">Buy now</a> |
| Large job which takes a few days or multiple smaller jobs, DDOS for protected sites                                                                                                 | 900 EUR =<br>0.078 B | <input type="text" value="1"/> X<br><a href="#">Buy now</a> |
| UPGRADE: INSTANT reply within 30-60 minutes instead of 24-36 hours for urgent cases. If i need longer this will get refunded. Only buy this together with one of the other options. | 200 EUR =<br>0.017 B | <input type="text" value="1"/> X<br><a href="#">Buy now</a> |
