A group of people, including men and women of various ages, are gathered around a large, colorful board game table. The table is covered with a complex game board featuring various colored squares, roads, and a central circular area. A yellow and white striped barrier tape is stretched across the table. In the background, a red banner with white Chinese characters "安全管理无禁区" (Safety Management has no禁区) is visible. The scene is outdoors, likely at a market or fair.
